

# INSURE YOUR COLLECTIBLE CAR SOONER

**1**

**GET COVERAGE SOONER.** Enjoy the benefits of Collectible Car insurance when your vehicle reaches its 15th birthday. That's a full 10 years sooner than ICBC's 25 year minimum age requirement.

**2**

**GET COVERAGE MORE EASILY.** Is yours a special interest collectible vehicle with original component parts that is only used for pleasure? With BCAA's Collectible Car insurance, it doesn't need to qualify for ICBC's collector status.

**3**

**GET COVERAGE THAT'S LESS RESTRICTIVE.** We accept vehicles with minor modifications such as seat belts, non-original tires, non-original wheels, power steering, power brakes, sound equipment and more!

And, with BCAA's Collectible Car Insurance there's never any debate about your special collectible's value at claim time. Plus there's no additional fees.

Insurance is sold through BCAA Insurance Agency and Underwritten by BCAA Insurance Corporation.
