

PREAMBLE FOR THE BC/YUKON TRAFFIC NET

Calling the British Columbia/Yukon Section Traffic Net. Net control tonight ismy name is and I'm located in..... This is a directed net specializing in formal traffic using the standard NTS format and in addition provides training in message handling.

This net, which liaises with BCEN and RN7 nets, will meet daily at 0230 UT (Summer) 0330 UT (Winter) on or about 3,716 kHz.

All stations checking into the net are asked to stay on frequency for the duration of the net unless excused by the net control station. Messages should be limited to 25 words if possible and the use of ARL numbered text is encouraged.

Before starting the net are there:-

1. Any stations with emergency or priority traffic? Go now.
2. Any B.C./Yukon Section stations with regular formal traffic for the net? Go now.
3. Any net liaison stations? Go now.
4. Any B.C./Yukon Section stations with net bulletins? Go now.

Roll call will be in the order of.

Monday :	V.I	S.W.	Central	S.E.	N.E.	N.W./Yukon
Tuesday :	S.W.	Central	S.E.	N.E.	N.W./Yukon	V.I.
Wednesday :	Central	S.E.	N.E.	N.W./Yukon	V.I.	S.W.
Thursday :	S.E.	N.E.	N.W./Yukon	V.I.	S.W.	Central
Friday :	N.E.	N.W./Yukon	V.I.	S.W.	Central	S.E.
Saturday :	N.W./Yukon	V.I.	S.W.	Central	S.E.	N.E.
Sunday :	S.E.	N.E.	N.W./Yukon	V.I.	S.W.	Central

Any B.C./Yukon Section stations missed in the roll call.

Stations from any area wishing to check the B.C./Yukon Traffic Net

(Training Session)

Before I close are there any stations that have anything further for the net.

Nothing more heard this ends the British Columbia/Yukon Traffic net for this evening please tune in tomorrow on or about 3,716 kHz at 0230 UT (Summer) 0330 UT (Winter).

Thanks to all and 73, the net is now closed atUT this is
the frequency is now clear.
