Dear \_\_,

We are approaching your organization for support to send our child to Camp Tamarack 2012. Camp Tamarack is a summer school for Children and teens with Learning Disabilities. It is the only one of its kind in Western Canada.

The children who attend camp receive individual programming by provincially qualified teachers and students studying in the fields of education and related disciplines.

The camp fee for 2012 is \$2000.00. This fee covers professional tutors, room and board, transportation, laundry and materials for academics and recreational activities.

Some families are able to pay the tuition with the help of friends or relatives. Others are lucky they have community groups who will help sponsor their child. It is for this reason that we are approaching your organization. We need your financial assistance.

As parents of a learning disabled child, we think it is important that our child attend Camp Tamarack 2012. The Tamarack Foundation is a charitable non-profit organization, therefore, donations are tax deductible. An income tax receipt will be issued for all donations. Please send your donation to the Tamarack Foundation, but please indicate that it is to sponsor my child.

Without the support of organizations like yours across the province, many of the children would not be able to attend Camp Tamarack.

Sincerely,

### **Parents:**

It is good to put some personal important information about your child in the letter so that the companies or organizations can relate to an individual. If you have any questions please call the Tamarack Office.
