Due Date Tuesday, April 23rd., 2002

Important Notes : **Name** _____ **Block** _____

1. Use PowerPoint under iMac Applications for this project.
2. Make sure you **SAVE** your PowerPoint Project to your Username folder on the Banting Server in students, eg. theme.ppt

Theme _____ **5 Marks** _____

Step 1 : Plan a slide show that has a specific theme. For example, do not just create a stack about cars, create a page about Ford vans or Volkswagen beetles. Your stack may not glorify violence. If you choose to make a stack about a person, check with Mr. Brear first.

Make sure the title and headings reflect the theme of the presentation. Most importantly, try to be ORIGINAL. Finally, your presentation should be something that interests you. Feel free to ask me for advice.

Step 2: Use the Internet to gather information about your theme.
