POTENTIAL CAREGIVER'S NAME: _____

REFERENCE'S NAME: _____

Reference Information: Phone: _____ Address: _____ City: _____

Province: _____ Postal Code: _____ Email Address: _____

1. How long have you known the potential caregiver? _____
2. In what capacity have you known the potential caregiver? _____

The potential caregiver has applied to become a volunteer with Canadian Disaster Child Care Society. CDCC is an organization that responds to children's needs both post-disaster and on an ongoing basis within the community. The potential caregiver will be working with children who have experienced trauma in their lives. This work involves working cross culturally as well as within a wide range of socio-economic statuses. Please be honest and forthright in answering the following questions!

3. Can you tell me about the caregiver's personal and characteristics that suit him/her to this work?

4. What knowledge and expertise does the caregiver bring to this position?

5. What strengths will the caregiver offer to children who have experienced trauma?

6. What will the caregiver's challenges in working with children who have experienced trauma?
