

CPF Canadian Parents for French

Vancouver East, North and South Chapters

January 20__

For grade 7s and their families considering French immersion secondary, just a reminder there is information that may be of interest at:

<http://members.shaw.ca/syt99/cpf-vancouver-f-i-secondary-schools-related-info.html>

This information includes the VSB link for application deadlines and boundaries.

If parents have questions about FI Secondary, they are welcome to contact me.

CPF is Canadian Parents for French educational opportunities, a non-profit, volunteer based, national organization which relies on membership fees to pursue its goals of advocacy and assistance for students (and their families!) in French Immersion and core French. CPF Vancouver East, North and South Chapter volunteers do valuable work to enrich Vancouver children's French language learning experience and support this educational choice.

Please check with me for date, time and location if you are interested in attending CPF Vancouver East (Vancouver Technical), North (Kitsilano) or South (Churchill) Chapter's next meeting.

The VSB has information promoting parental involvement at:

<http://vsb.bc.ca/hints-and-tips>

Research shows that if you are involved in your child's education he or she will be more successful in school. Volunteering with CPF gives parents the opportunity to better understand how French immersion works and hence provide informed support for their French immersion students.

CPF welcomes more parent volunteers. If parents have questions about volunteering with CPF, they are welcome to contact me.

CPF also encourages parents to become members, see:

<http://cpf.bc.ca/site3/index.php/join-cpf>

Members receive informative newsletters. The newsletters often include information about secondary student exchange, summer work, travel and post secondary opportunities.

CPF Thanks you in advance for any help you might offer.

Sincerely,
