RE: 2011 – 2012 Dance Term Registration

As our dance year draws to a close, plans are underway for the new dance season of 2011-2012.

To help facilitate the organization of the new dance year, we will be offering, once again, the "**Pre-Registration Program**". This will ensure the priority placement of Veeteretz Dancers over new registrations.

The planning of classes is always dependent on accessibility to facilities, availability of instructors, and class sizes must be such that the cost is financially feasible. This dance year we will continue to use an administration fee which will help with the rising costs of paper, photocopying, running of music, props and postage. Please fill out the registration forms, attach your administration fee and early bird fees, if paying early, made payable to Veeteretz School of Ukrainian Dance Association, and mail to:

Veeteretz School of Ukrainian Dance
c/o # 371 - 22560 Wye Road
Sherwood Park, AB T8A 4T6

Registration in person for the 2011-2012 dance year will take place at E4C Clareview Head Start (1142 Hermitage Road, Edmonton) on Thursday, September 1st, 2011 from 6-8:00 pm.

Dancing classes begin the week of September 6th.

Thank you. Have a great summer!

REGISTRATION FEE PAYMENT OPTIONS – FOR 2011-2012

The following payment options are available for parents depending upon which best fits into their budgeting needs:

- 1) **Early Bird Full payment** - Dance fees only will receive a *10% discount off the full year dance fee if paid on or before June 30th, 2011. This saving of 10% is offered as this method of payment reduces our administration costs. In order to be eligible for this option, fees need to be received by the dancing school **no later than June 30th, 2011.**

- 2) **Monthly payments** – Parents may choose to use this option which involves submitting seven post-dated cheques (September 30 through March 30) at the time of registration. Equal monthly payments are calculated by dividing the total dance fee by seven. (The first cheque includes payment for the months of September and April). **There is no discount on dance fees for this payment option.**

- 3) **Full payments** – Parents may choose to use this option which involves submitting four post-dated cheques (Sept. 30, Oct. 30, Nov. 30 and Dec. 30) at the time of registration. These four equal payments are calculated by dividing the total dance fee by four. **There is no discount on dance fees for this payment option.**

To *encourage* the registration of “boys” to Veeteretz, we will be offering a registration incentive which will involve a reduction in their dance fee for the year.

Any dance **refunds** given will be pro-rated up to November 1st as per the number of classes attended. **No refunds will be given after November 1st, 2011.** Please ensure your child's name and group name are written on your cheque. If paying by cash, please mark the same on the front of the envelope and mark as CASH.

**** ALL new dancers to Veeteretz who will be participating in dance festival will be required to provide a copy of their birth certificates at the time of registration.**

VEETERETZ FUNDRAISING PARTICIPATION COMMITMENT – 2011-2012

In order to continue the excellent program offered at Veeteretz we have a required fundraising participation commitment from all dancers who register. This program is similar to fundraising commitments required by sports teams such as hockey and soccer, and other dancing school. It involves the following:

- 1) **Each dancer** is to submit a \$100.00 cheque (dated March 31, 2012) at the time of registration. Cheques are to be made payable to the Veeteretz School of Ukrainian Dance Association. A separate cheque is to be submitted for each dancer in your family. Please make a notation on the cheque(s) to indicate it is for the ‘fundraising commitment’.
- 2) Upon your participation per dancer (which equals \$100) in one of the fundraising events planned for this year (i.e., sausage sales, donation of a silent auction item or other events our fundraising committee are currently planning for the upcoming dance year), your cheque will be returned to you and your participation commitment requirement will be complete for this year. Should you prefer to have your cheque destroyed please contact one of the executive fundraising committee members.
- 3) A fundraising discount is available for families having 3 or more children dancing. For the third or fourth child, no fundraising commitment is required.

The expectation is that **each dancer** (not family) will be involved in and contribute to our dance school fundraising efforts. The focus of funds raised has always been towards big expenses such as costuming. This focus will continue as all dancers will eventually benefit from the availability of using the school-owned costumes versus purchasing them individually.

June 2011

Dear Veeteretz Families,

The success of any group and/or team is dependent on the full attendance, commitment, dedication and participation from each member. At this time, all Veeteretz dancers are reminded of the importance of their full commitment to their dance group, fellow dancers and instructor. The character of the Veeteretz School of Ukrainian Dance is determined by the dance standards of excellence the instructor(s) and dancers set out for themselves. In order to achieve and maintain these standards, full attendance and participation at weekly dance classes, practices, workshops, competitive and non-competitive performances are necessary and cannot be compromised. As per the Veeteretz Handbook 2011-2012 (Discipline Policies pg. 9) *"All dancers are expected to attend all weekly classes and performances (i.e. nursing homes, competitions, etc.). Failure to do so may result in the dancer being asked to step out of portions of choreography, upcoming concert or competition /festival performances."*

Please acknowledge that you have read the above by signing below to confirm your commitment to dance at Veeteretz. Kindly return this form to your instructor during the first week of dance in September 2011 or with your registration package.

Thank You
