

# Halloween Night

Ding dong!  
Who's at the door?  
Goblins and monsters  
And so much more...

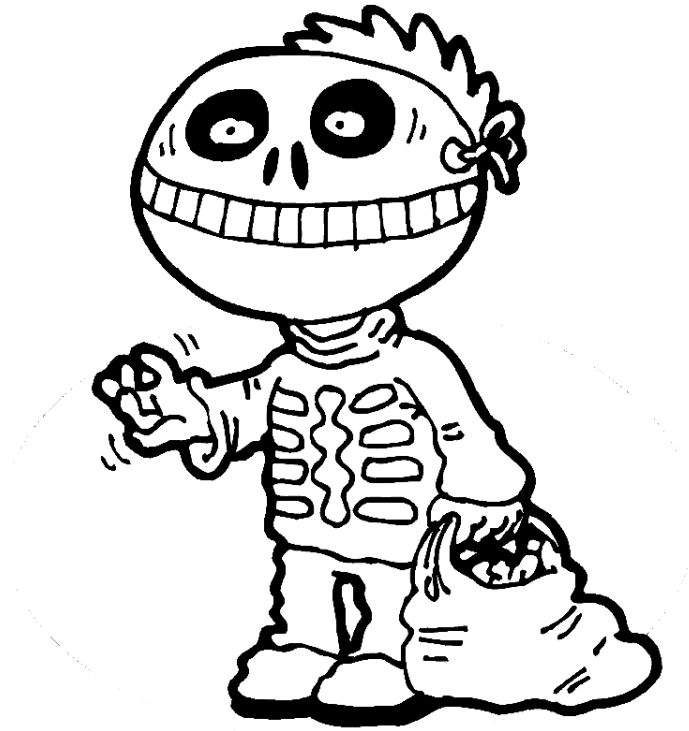

Do all these things  
Give you a fright?  
**BOO!**  
It's Halloween night!

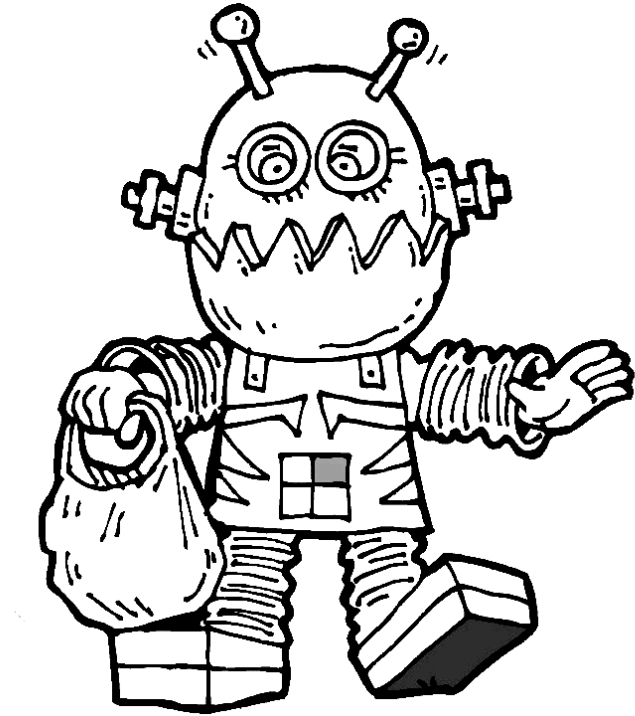

What's that noise?  
Is it my cat?  
No! It's a witch  
In an ugly hat!

A floating thing  
With great big eyes,  
Here to take me  
By surprise!

Something white  
And very thin,  
I'm not going to  
Let HIM in!

An alien  
From outer space,  
I wish he'd go  
Some other place.
