On The Christmas Tree

Have a look at my
Christmas tree.
It starts out bare
And then you'll see....

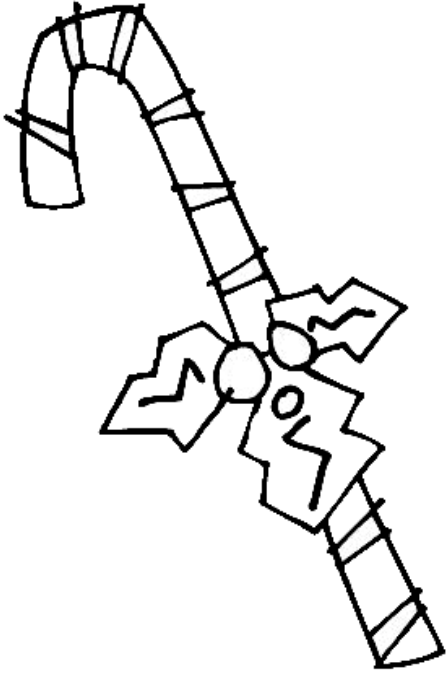

Now, the best part
You will see,
Is the beautiful star
At the top of our tree!
Merry Christmas!

There are silly things
We like to make,
Some we colour,
Some we bake.

Some ornaments,
Silver and blue,
Sparkling lights
That twinkle, too.

These candy canes,
So sweet and yummy,
Are for the tree,
Not for your tummy!

We hang angels
With little wings,
And tiny stockings
And other things.
