Valentines, valentines,
How many do I see?
Valentines, valentines,
Count them with me!

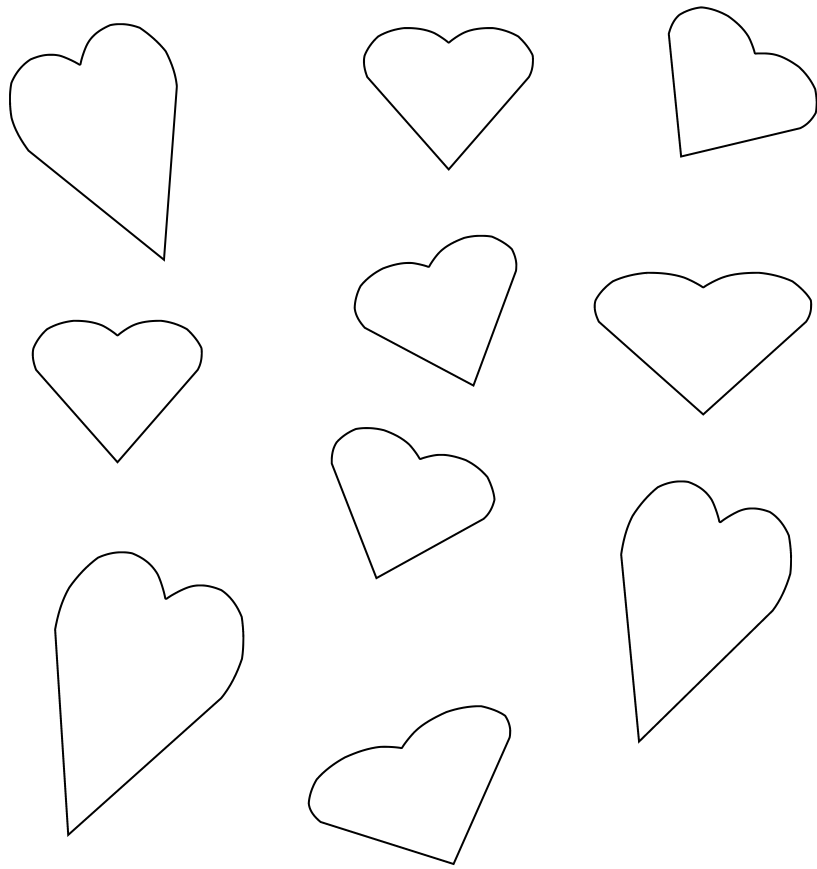

Valentines, valentines,
How many do I see?
Valentines, valentines,
Count them with me.

I have lovey ones
I have dovey ones
I have ones that are so frilly.

I have red ones
I have pink ones
I have orange ones, too,

I have green ones
I have purple ones
I have some that are blue.

I have funny ones
I have goofy ones
I have ones with jokes so silly,
