A bumble bee
Can make a treat.
Tasty honey,
Oh, so sweet.

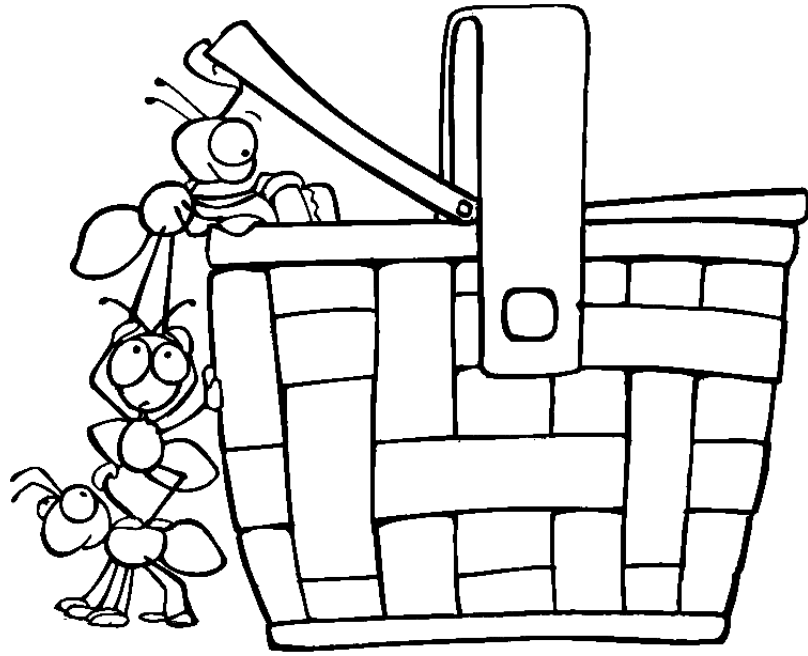

This is funny!
You should look!
This little bug can
Read a book!

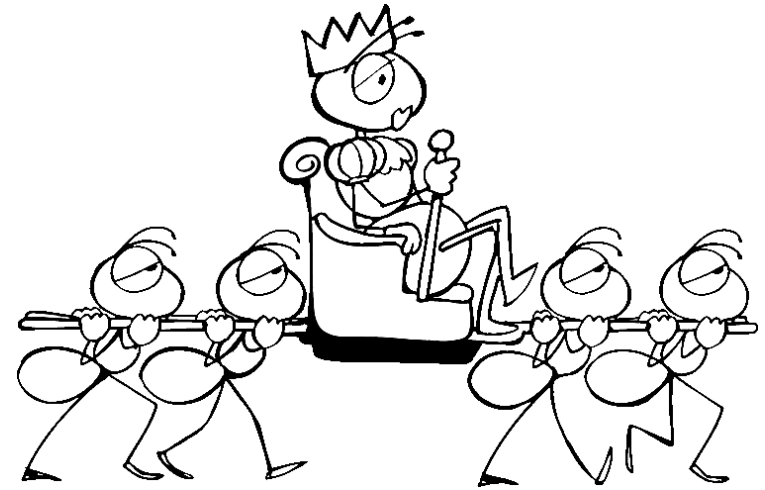

This bug can glow,
This bug is bright,
You can see this
Lightning bug at night.

A cricket family
Sings a tune
In the heat of the sun,
By the light of the moon.

Keep an eye on your sandwich,
Keep an eye on your lunch!
These little bugs
Just love to munch!

The queen, the queen!
Here comes the queen.
This royal ant
Is seldom seen.
