

# The Scarecrow

Two fat blackbirds,  
Sitting in the straw.

BOO! yelled the  
scarecrow,  
And away they flew!

The scarecrow grinned,  
He knew what to do -

Laughing at the  
scarecrow,  
**CAW! CAW! CAW!**

Two fat blackbirds,  
Eating all the wheat,

Teasing Mr. Scarecrow,  
Talking while they eat.
