In the summer
We may go
In our car
Fast and slow.

We will have fun!
We'll run and play
And the sun will shine
Every summer day!

But if we do not
Take a train,
A car or boat
Or on a plane,

In the summer
We may go
In a boat -
I like to row.

In the summer
We may fly
In a plane
Up in the sky.

In the summer
We may take a trip
On a train
Or on a ship.
