"It will soon be time for the summer holidays," said Ms. Dickens, the Grade One teacher. "What will you do this summer? Let's talk about the holidays."

"What will you do, Ms. Dickens?" asked Nathan.

"I will be doing my favourite thing," said Ms. Dickens. "I like to go golfing! That is what I will do this summer. I can't wait!"

"We will be going to the dinosaur museum!" said Jack. "I will see the big dinosaur bones. There are models of dinosaurs, too. I like dinosaurs!"

"We will go camping with our tent trailer," said Donna. "We will camp in the woods! We will have a campfire and toast hot dogs."

"We will go to the summer fair," said Nicholas. "We will go on the rides. I like to go on the bumper cars. We will see a show and there will be clowns."

"We will go canoeing," said Kara. "We will paddle on the lake. We must wear our life jackets in the canoe. Then we will stop and have a picnic."
