

Linda Fearn has been the organist of St. Andrew's River Heights United Church for 21 years and also directs the Junior Choir. She graduated from the University of Manitoba with a B.Comm.(Hons) degree in 1973 and worked in government for 6 years. A few years later, while at home with two young daughters, she began a major career shift.

With the encouragement of her childhood piano teacher and previous St. Andrew's organist, Audrey Belyea, she began to study the organ, eventually attaining her Associate's diploma from the Western Board of Music (now Conservatory Canada). Her teachers included Winnifred Sim and Don Hadfield.

Linda has played an active role in the Winnipeg Centre of the Royal Canadian College of Organists, currently as Treasurer. Linda enjoys teaching her piano students as well as accompanying young singers in the Winnipeg Music Festival and for singing exams. She is married to Greg and mother to Alison and Sandra.
