

**SALT CHUCK HRC**  
**TRAINING DAY**  
**20 MARCH 2005**

at  
Walter & Mary Brown's Farm

Please find a syllabus concerning subject Training Day

SER	TIME	SUBJECT	SPONSOR	REMARKS
1	1000	Meet at Walter & Mary's	Ian Hay	See everyone knows each other and set up for the day's events
2	1030	Gun Safety	Ian Hay	As per the HRC Rules & Regulations and Common Sense. Anyone with a pump, single or double- barrelled shotgun, please bring them. We will conduct a round robin program with the shotgun being shown the working parts, how to load & unload, shouldering it, dry firing, primer shells & popper loads. It shall be slow and progressive, so please do not have any apprehensions regarding the use of the shotgun at our Hunts.
3	1130	Started Dogs	Tracey Griffin	1. A short lecture as to what the rules entail for this level. 2. Introduction to birds. 3. A short demonstration on a Started level Hunt. 4. Followed by each dog in that level being run on that exact set-up with Tracey walking\talking each handler\dog combination through. It is hoped that both land & water can be done.
4	1300	Lunch	All	Please bring your own lunch and lawn-chairs. Remember to leave the grounds the way we found them - <b>CLEAN</b>
5	1400	Seasoned Dogs	Judy Teskey	1. A short lecture as to what the rules entail for this level. 2. A short demo on a Seasoned level Hunt. 3. Followed by each dog in that level being run on that exact set-up with Tracey walking\talking each handler\dog combination through. It is hoped that both land & water can be done.
6	1500	Discussion	All	Any points concerning the training as well as any points anyone has concerning the Rules & Regulations as it pertains to them. Dress will be one point for this time.
7	1600	Depart for Home	All
