

Website Consent Form

The purpose of the website is to provide information about Shan~e~Punjab (SEP), that is easily accessible to the public. In many instances, a newsletter does not suffice, and if we are to continue to provide excellent opportunities for our students, we need to let the public know who we are and what we have accomplished i.e. 2006 World Martial Arts Games Opening Ceremonies participants. As well, we also want to provide access to organizations such as the 2010 Winter Olympic Opening Ceremonies committee as part of our application. Links will include "About Us!", "Since 1993...", "Photo Gallery of Performances", "Dance Schedule", "Pride of SEP Showcases", "Workshops", "Summer Day Camps", "Photo Gallery", "Upcoming News" and many others. The other related links will give access to other practicing bhangra teams, schools and organizations around the world. Parents can view our site at all times, and provide feedback as they wish. The other links are just as important for parents and students, which include forms, testimonials, newsletters, media coverage, to name a few. All these links will be revised on a quarterly basis. The students that will be featured are those that have been a part of Shan~e~Punjab for a long time, sharing their contributions to our school. This form is to give us permission to add your child/children's photo, and/or group photo's, including any biography of their contributions and achievements at SEP.
