TO WHOM IT MAY CONCERN:

Ms. Sonia Grewal rented our facilities last summer for the one week Shan-e-Punjab Summer Day Camp for children. She now coordinates a program each Sunday for the same group, again utilizing our facilities. Ms. Grewal is an amiable person to deal with and seems to be well respected by the children and parents associated with her program. I have found her cooperative and responsible in meeting our requirements including the payment of rental charges.

Yours truly
