

To A Good **FOREVER HOME**

We are looking for a hero! My sweet boy 'Louie is diabetic and I cannot take care of his medical needs as I have to travel for work.

If you or someone you know can help, PLEASE call Allison at 255-2509.

NAME	Kahlua Bear or 'Louie
BREED	Balinese/Siamese mix
AGE	3 years
SEX	Neutered Male, declawed
DESCRIPTION	Declawed, light blue eyes, long silky coat, cuddler
SITUATION	Kahlua has recently been diagnosed as a diabetic. He is insulin-dependent (approx. \$30/month) and doesn't mind his shots. I have been laid off from work for the summer so this extra financial burden has been difficult. Due to his needles, I am unable to travel to visit my family or look for work. Kahlua's sweet and affectionate nature helped me through some very difficult times. I feel I owe him another chance at life. I WILL NOT have him put down because his needles don't fit my lifestyle. I am looking for a forever home for my sweet boy. We need a hero!
