Charlie Herger moved, Bob Larmour seconded, that "We investigate the possibility of Area 41, Area 42 and Area 49 holding a joint area conference." Charlie spoke about the motion that Areas 41 and 49 are not getting enough members out to hold a conference. Shirley Shorter spoke about past experiences when joint conferences were held. The facility needs to be large enough to have 3 rooms to hold a combined contest.

Shirley amended (seconded and carried) the motion to read "Spring 2008 only."  
Glen Stanker asked if this motion has merit. Charlie needs to talk to each Area 41 and Area 49 club to see if it feasible. Chuck Reynolds questioned if each individual members needs to vote on this. **Moved/Carried** that "We investigate the possibility of Area 41, Area 42 and Area 49 holding a joint area conference in April 2008."
