Nathan Hanes is the good looking guy
on the left in the picture on the right.
Obviously he is enjoying scuba diving
with friends in warmer climes.
The picture was forwarded thanks to
John and Kaireen Morrison

**The Rotary Club of Wawa is proud to sponsor
Nathan Hanes as a member of a District 6290
Group Study Exchange Team to the Philippines.**

Nathan Hanes was born and raised in Brockville, Ontario,
CANADA; a small town on the St. Laurence River. After
graduating from high school Nathan moved throughout
Southern Ontario, pursuing his education and job opportuni-
ties. He completed an undergraduate degree in Biology and
Environmental Studies then went on to a Master's program in
Physical Geography. While at university he played on the
varsity football team and is still active in many sports includ-
ing hockey, basketball and volleyball. Currently, Nathan is
employed by the Ontario Ministry of Natural Resources as a
Water Management Biologist in Wawa. His work focuses on
fisheries issues with some exposure to wildlife and land use
management. He is an outdoor enthusiast with a passion for
paddling, hiking, fishing, hunting, and scuba and sky diving.
He is currently learning how to play the guitar and looking to
take up a second language, most likely Spanish. Nathan has a
huge desire to travel and work abroad, especially after
spending one and half years in Europe.

ROTARY INFORMATION

The Group Study Exchange (GSE) Program of The Rotary Foundation is a unique cultural and vocational exchange opportunity for young business and professional men and women between the ages of 25 and 40 and in the early years of their professional lives. The program provides travel grants for teams to exchange visits between paired areas in different countries. For four to six weeks, team members experience the host country's institutions and ways of life, observe their own vocations as practiced abroad, develop personal and professional relationships, and exchange ideas.

For each team member, The Rotary Foundation provides the most economical round-trip air ticket between the home and host countries. Local Rotarians in the host area provide for meals, lodging, and group travel within their district.

Think about it: Why do you have to “put in your two cents”, but it’s only a “penny for your thoughts”? Where’s that extra penny going to?
